

St Joseph's Primary School Warragul

School Uniform Policy

Purpose:

At St Joseph's Primary School, we have a standard of dress of which the members of our school community can be justifiably proud. Our uniform is neat, attractive, practical and economical. Wearing the uniform adds to the feeling of belonging and builds school spirit for students.

Aims:

To promote equality and identification amongst all students, and a sense of pride in our school.

To provide durable clothing that is cost effective and practical for our school environment.

Implementation:

- The school's uniform dress code applies during school hours, while travelling to and from school, and when students are on school excursions. (This may be waived on some occasions.)
- The summer uniform will be worn during Terms 1 and 4.
- The winter uniform will be worn during Terms 2 and 3.
- It is expected that all students are in the Winter uniform by 1st of May and the Summer uniform by 1st of November.
- Sports uniform is to be worn only on sports day each week and for sporting events or excursions.
- Year 6 students may wear their Year 6 polo top on sports days and one other designated day, determined by the school.
